WELCOME MESSAGE

Dear Valued Partner,

It gives me great pleasure to welcome you to ROBONEX INDIA PRIVATE LIMITED – a company built on the foundation of trust, precision, and customer-centric innovation.

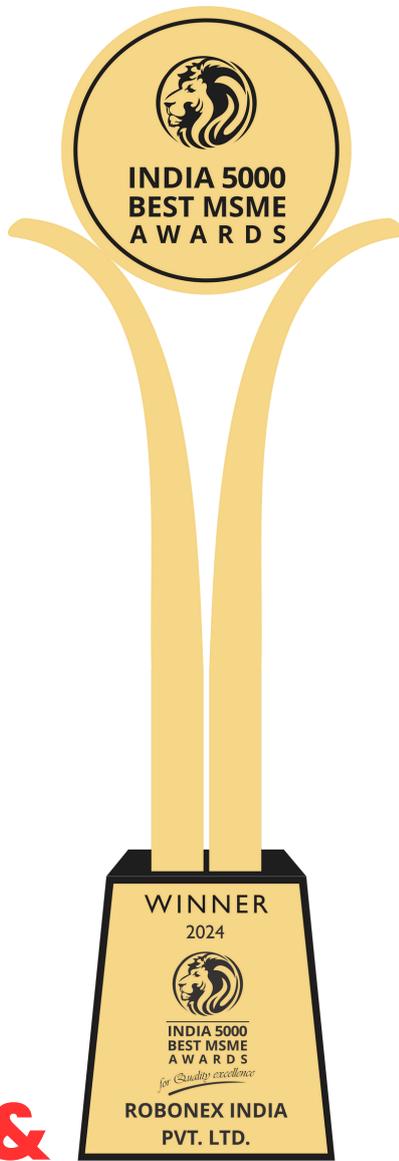

From humble beginnings to becoming one of India's Best 5000 MSMEs and an Iconic Brand of the Year 2025, our journey has been defined by a commitment to quality spare parts, reliable service, and global standards. We specialize in delivering premium components for construction and mining equipment – ensuring machines run longer, stronger, and smarter.

At ROBONEX, we don't just supply parts – we power performance. With ISO 9001:2015 certification and a growing export footprint, we look forward to building long-term relationships based on transparency, speed, and mutual growth.

Thank you for considering us as your trusted partner.

Warm regards,

Paras Bajaj
Founder & M.D

AWARDS & ACCREDITATIONS

RECOGNIZED FOR EXCELLENCE

We are proud to be awarded as one of India's Best **5000 MSME Companies in 2024** and honoured with the prestigious **"Iconic Brand of the Year 2025"** title.

Certified with ISO 9001:2015, we continue to uphold the highest standards of quality, innovation, and customer trust across global markets.

COMPANY OVERVIEW

WHO WE ARE?

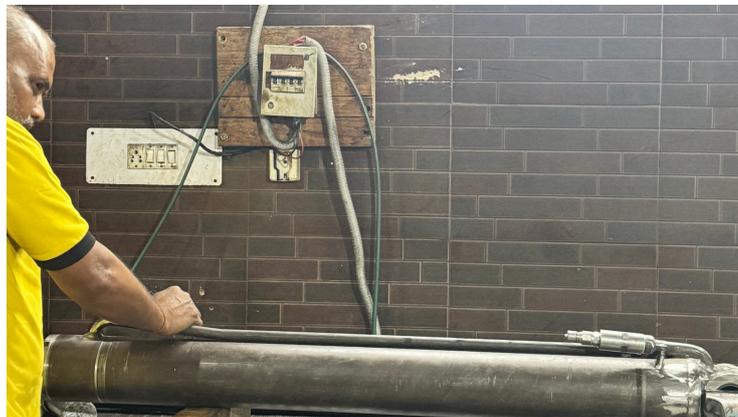

ROBONEX INDIA is a leading manufacturer and supplier of construction equipment spare parts powered by unrelenting dedication to innovation and quality.

At ROBONEX, we know that the quality and service life of your vehicle's parts are the main driver of its performance; that is why we are committed to using innovative production technologies and expertise to deliver high quality automotive spare parts that last longer without untimely replacement and ensure your vehicle is kept in the best working condition.

FACTORY WALK THROUGH

Our production facility spans over 22,500 square feet of operational space, designed to meet the demands of high-volume manufacturing and streamlined logistics. Equipped to handle a wide range of construction and mining equipment spare parts, our plant ensures maximum efficiency, scalability, and quality control under one roof.

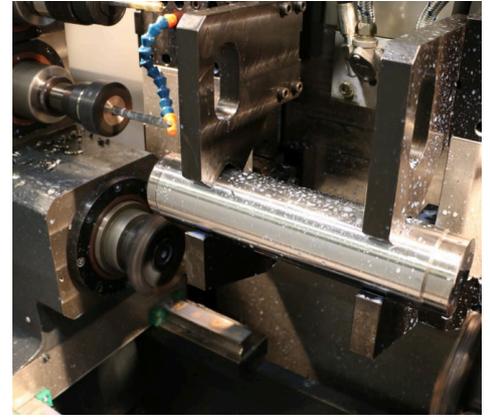

Our facility is equipped with automatic welding setups and an in-house high-pressure cylinder testing unit, allowing us to produce and test hydraulic components with superior accuracy and reliability.

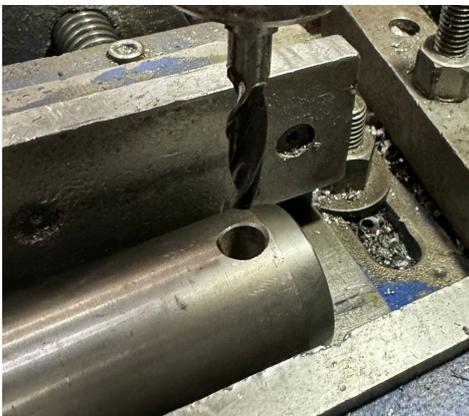

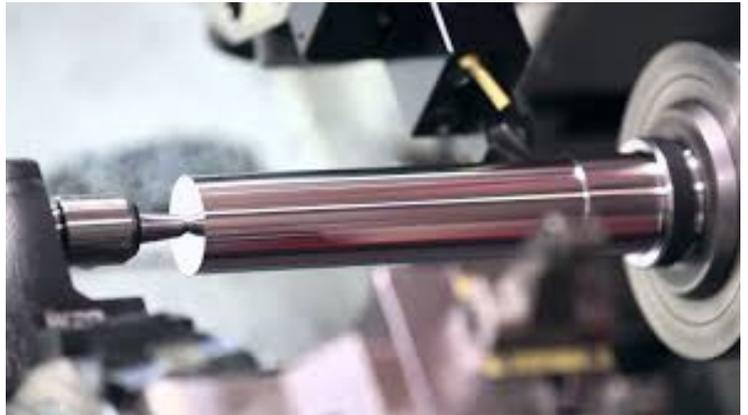

Every step is managed under one roof, ensuring quality control, faster turnaround, and consistent performance in every part we deliver —making ROBONEX a trusted name in the construction and mining equipment parts industry.

FACTORY WALK THROUGH

Our facility is equipped with advanced Automatic Center Facing Machines along with Induction Hardening Equipment to enhance durability and wear resistance. We also have CNC and VMC machines, Cylindrical Grinders enabling high-accuracy machining for complex components and maintaining consistent quality across every batch.

CORE VALUES

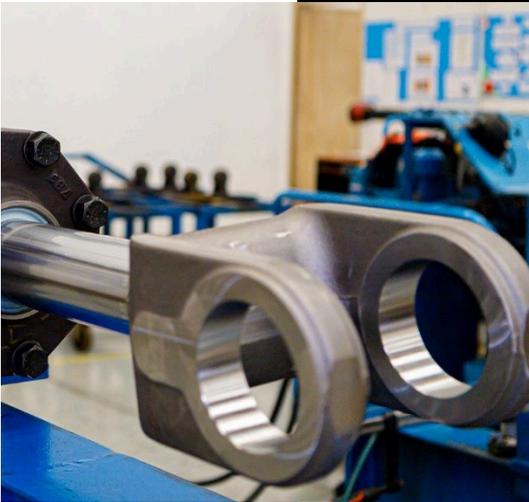

COMPANY VISION

To be a globally trusted partner in powering heavy equipment reliability through high-quality spare parts and seamless service.

COMPANY MISSION

To deliver consistent, high-performance spare parts that meet or exceed OEM standards and serve the construction and mining industries with rapid response, technical expertise, and global logistics.

MANUFACTURING EXCELLENCE

We operate state-of-the-art manufacturing facilities equipped with cutting-edge technology. Our in-house production ensures stringent quality control, allowing us to produce precision-engineered spare parts that meet or exceed industry standards.

GLOBAL SOURCING

ROBONEX has a robust global network of trusted suppliers. We strategically source premium materials and components from around the world to ensure the quality and reliability of our products.

DISTRIBUTION CHANNEL

With a strong presence in markets, **ROBONEX** serves clients across the globe. Our strategically located distribution centers facilitate timely deliveries, ensuring that our clients can rely on us for their critical spare part needs.

BACKHOE LOADER PARTS

We offer a complete range of spare parts for Backhoe Loader machines — including JCB, CAT, Terex, and CASE — ensuring unmatched quality, reliability, and performance for every job site.

EXCAVATOR PARTS

We take pride in offering a complete and comprehensive range of excavator spare parts to keep your machines running at peak performance. From undercarriage and hydraulic parts to engine components and attachments, we stock reliable, high-quality products for all leading brands including Hitachi, Komatsu, Hyundai, CAT, and more.

WHEEL LOADER PARTS

We offer high quality wheel Loaders spare parts , ensuring maximum uptime and efficiency for your heavy equipment. From transmission and axle components to hydraulic parts, filters, engine spares, and electrical systems — we stock precision-engineered parts for all major brands

TRACTOR PARTS

Your trusted source for a complete and dependable range of tractor spare parts, catering to all major brands including Mahindra, Swaraj, Sonalika, John Deere, New Holland, and more. From engine components and clutches to hydraulics, brakes, filters, and electricals – we deliver precision, durability, and performance to keep your tractors field-ready and efficient

MOTOR GRADER PARTS

ROBONEX brings you a complete range of premium spare parts for Motor Graders, built to withstand the toughest terrains and deliver unmatched performance. From cutting edges and blades to hydraulic, transmission, engine, and cabin components – we stock reliable parts for top brands like CAT, Komatsu, CASE, and more

HYDRA CRANE PARTS

We offer a complete and reliable range of spare parts for Hydra Cranes, supporting top models from Escorts, ACE, and other leading brands. From boom components and hydraulic spares to axles, clutches, brakes, and electrical parts – we ensure top-quality, precision-fit products that maximize your crane's safety, strength, and performance.

DOZER PARTS

We offer a complete and rugged range of Dozer spare parts built to handle the toughest jobs and harshest environments. From undercarriage components, blades, rippers, and hydraulics to engine, transmission, and electrical parts – we supply premium-quality spares for leading brands like CAT, Komatsu, BEML, and more.

CONCRETE MIXER PARTS

We supply a complete range of high-quality spare parts for Concrete Mixers, specially curated for leading brands like Ajax and Schwing Stetter. From drum rollers, gearboxes, hydraulic pumps, and water pumps to filters, control panels, and wear parts – our components are built for durability, precision, and smooth mixing performance

FORK LIFT PARTS

Robonex India offers a complete and reliable range of forklift spare parts designed to ensure smooth, safe, and efficient material handling operations. From mast chains, forks, and hydraulic components to brake systems, filters, engine parts, and electricals – we stock high-performance parts for all major brands including Godrej, Toyota, Voltas, and more

LUBRICANTS

We offers a superior range of high-quality industrial grease formulated for maximum protection, performance, and longevity. Designed to withstand extreme temperatures, heavy loads, and harsh environments, our grease ensures smooth operation and extended life of machinery components across construction, mining, agriculture, and industrial applications.

COMPLETE RANGE OF HAND TOOLS

HAND TOOLS

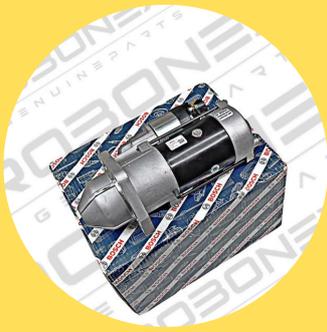

We offers a complete range of high-performance hand tools engineered for precision, durability, and everyday reliability. From spanners, pliers, and screwdrivers to hammers, wrenches, and specialty tools – we provide trusted solutions for mechanics, technicians, and industrial professionals.

COMPRESSOR PARTS

Robonex India provides a complete range of high-quality compressor spare parts designed for durability, efficiency, and long-lasting performance. From pistons, valves, and gaskets to filters, bearings, and crankshafts – we supply precision-engineered components compatible with leading compressor brands.
